

adidas Trionda World Cup 2026 Pro

The seamless adidas match ball rolled out at FIFA World Cup 26™.

A spectacular sight first seen at sporting venues across the Americas, the iconic "la ola" wave inspires the flowing, four-panel design of this adidas Trionda Pro ball. The official soccer ball of the FIFA World Cup 26™, it has a seamless surface with an eye-catching texture and strategically placed debossing for optimal precision and in-flight stability. Vibrant colors and bold national symbols represent the tournament's three host countries.

Description

Three Nations. One Ball.

Inspired by the la ola wave, Trionda blends the spirit of USA, Canada, and Mexico in one iconic design.

Global Game. Local Legends.

Top players like Messi, Bellingham, and Yamal warm up with Trionda. Now it's your turn.

Pro Level

The official ball of the FIFA World Cup 26™, designed to deliver professional-level precision. Cutting-edge technology for flawless performance in every play.

FIFA Quality Pro

The gold standard for elite play — tested on 7 key performance areas for maximum consistency, durability, and professional match use (including the FIFA World Cup).

FIFA Certified

Officially certified by FIFA on real production runs — giving you the same trusted quality used on the world's biggest stage.
