

Mizuno Morelia Neo IV Beta Made in Japan

Product description

- Premium upper consisting of an ultra-thin layer of K-leather from Japan, which reduces the weight of the shoe and gives you an exemplary first touch on the ball
- Front foot and center section are joined together by comfortable mesh with no seams, for an exceptional fit and a lightweight feel as you whizz past your opponent
- Newly developed dual-density outsole for increased flexibility, stability and comfort as well as better durability, where the sole is also rounded to match the shape of the athlete's foot sole
- Classic matching lacing system and a soft knit hem at the ankle, making it easy for all foot types to quickly get into the shoes

FG buds for natural grass.

Note: Unisport recommends that on Morelia Neo IV you choose a ½ number smaller than usual, since the model is large in size
