

adidas Predator Elite Fold-over Tongue FG Jude Bellingham Chrome Dream

Product description

When looking for elite quality, the UEFA Champions League Pro 3rd ball covers all needs

- Awarded FIFA's highest rating for design, construction and performance - this ball belongs among the very best.
- The thermally bonded panels and textured surface make each kick effective. When the ball gets into the air, it moves with stability and precision
- Seamless construction provides a soft touch and lower water absorption, so you can focus on your game and perform at your best
- From surface to bladder, high-quality materials deliver professional match ball performance

All this is documented with the FIFA Quality Pro rating - proof that the ball has truly been put to the test

Materials: 61% Polyurethane 30% polyester 9% rayon
